Correction to: European Journal of Wildlife Research
<https://doi.org/10.1007/s10344-022-01593-8>

The authors would like to add the following note to the Ethics approval declaration:

“Permissions and ethical evaluations were requested to the district directors, managers and research committee of the authors’ respective institutions which concluded that the questionnaire did not require a full ethics review because this study was deemed low risk.”

The original article has been corrected.
