There was an error in the original publication [1], regarding the cited reference [52]. The citation referred to “Tagliaferri, L.; Garganese, G.; D’Aviero, A.; Lancellotta, V.; Fragomeni, S.M.; Fionda, B.; Casà, C.; Gui, B.; Perotti, G.; Gentileschi, S.; et al. Multidisciplinary personalized approach in the management of vulvar cancer—The Vul.Can Team experience. *Int. J. Gynecol. Cancer* 2020, 30, 932–938”.

However, the results described in that paragraph more accurately correspond to the article by Maggino et al.: “Maggino, T.; Landoni, F.; Sartori, E.; Zola, P.; Gadducci, A.; Alessi, C.; Soldà, M.D.; Coscio, S.; Spinetti, G.; Maneo, A.; et al. Patterns of recurrence in patients with squamous cell carcinoma of the vulva: A multicenter CTF study. *Cancer* 2000, 89, 116–122.”

The original reference has now been replaced with the new one.

The authors apologize for any inconvenience caused and state that the scientific conclusions are unaffected. This correction was approved by the Academic Editor. The original publication has also been updated.
